Portrait Pricing Guide

Family Sessions

The Family Portrait Sessions we offer are not the traditional type. We like to photograph your family in a comfortable environment and not in a stuffy studio. These sessions last up to two hours with unlimited photography, locations and outfits. Family Sessions are not taken in the studio. An online gallery is included for 30 days.

Session fee - \$150. Add \$100 product credit for \$50.

Senior Sessions

Our senior portrait sessions are fun, energetic and are a great way to capture one of the most fun times of your life. These sessions last up to two hours and there are no limits to the locations or outfits. Time in the studio is available, but limited. An online gallery is included for 30 days. Session fee - \$100. Add \$100 product credit for \$50.

Children Sessions

Our Children Sessions are not ordinary. We don't sit your child in front of a completely fake background. We photograph your children in their natural environment, doing what they do best... having fun. This session lasts up to two hours and are not available in the studio. An online gallery is included for 30 days.

Session fee - \$150. Add \$100 product credit for \$50.

"Baby Mama" Maternity Sessions

We offer our distinct "Baby Mama" Maternity Session as a way to document you in your environment during one of the best times in your life. These sessions are up to two hours in length and takes place in your home. An on-location studio setup is available. An online gallery is included for 30 days.

Session fee - \$150. Add \$100 product credit for \$50.

Intimate Sessions

Our intimate sessions can make a wonderful gift for your groom. This session lasts up to two hours and is photographed in your home where you feel most comfortable. An on-location studio setup is also available. An online gallery is included for 30 days.

Session fee - \$150. Add \$100 product credit for \$50.
