Wedding Pricing Guide

Our pricing is simple. Instead of a bunch of confusing packages filled with things you might not want or confusing album and print credits, we have just one package and an a la carte menu full of stuff you can add on at any time. Add albums and prints now or after the wedding - whatever works best for you! Bridal sessions can also be added later - up to 45 days before your wedding. Certain items like additional photographers and the FUNKYBOOTH must be added at booking.

THE WEDDING PACKAGE \$2000

- up to 6 hours of wedding day coverage by Adam & Cyndi
- online proofing gallery for one year
- an engagement session anywhere in NW Arkansas
- 100 4x6 photo cards with gallery viewing information
- digital negatives on usb flash drive

Every couple starts out with THE WEDDING PACKAGE. We've included plenty of hours and two photographers standard to make sure we're there for all the most important parts of your wedding day. We've also included an engagement session because we LOVE them! The engagement session gives us a chance to work with you before your wedding day so we can see how you interact with each other and you can see how we work. It's also good to get you used to a camera following you around for a while! If you live out of town or would rather not do an engagement session, just let us know.

PLEASE NOTE : Arkansas state sales tax will be added to all package pricing and a la carte options where applicable.
